I understand by the nature of activity there is the possibility of accident and assume the risk and responsibility while attending the camp. I, as parent/guardian of a minor student, permit emergency care to be administered to him as deemed necessary by the camp coach. I will allow the involved hospital and/or doctor to administer the required treatment of the emergency condition. I also understand that all incurred costs are my personal responsibility and that School District #2 or Billings Senior High school does not have insurance coverage for injuries to sport camp participants.
